Re: Recognition of Service to ASRC

Dear Mr. Thompson:

At the ASRC's Board of Directors meeting today, a motion was passed unanimously directing me to write you a letter of thanks. This is for your service during training and in the field as a member of the ASRC's Allegheny Mountain Rescue Group, and for your service to the ASRC as a whole.

In particular, we wished to thank you for two things. First is volunteering to serve as Secretary for the ASRC Board of Directors. Second, and most particularly, for volunteering your time and PHP programming skills to update the ASRC's cellphone location-obtaining service to get it working again with the current version of PHP. This service is used by search and rescue teams across North America, many of whom have expressed thanks to the ASRC for getting this service up and running again, which we wish to pass on to you.

The Board would like to wish you the best in your future endeavors in the Pacific Northwest.

Sincerely,

A handwritten signature in blue ink, appearing to read "Keith Conover".

Keith Conover, M.D., FACEP, ASRC Board Chair
