Re: VFIS Accident & Sickness Enhancements

Dear VFIS Client:

We are pleased to announce Accident & Sickness benefit upgrades and introduce several new benefits. The attached flyers contain an overview of the updates and changes recently approved in your state.

New benefits have been added that are meaningful to your Members. The most significant changes relate to Weekly Income and Total Disability benefits where we are presenting two new optional benefit selections.

- **Coordinated 28 Day Benefit** – provides an additional benefit in an effort to restore member's average weekly wage. This benefit is designed to allow you to protect higher wage earners during the first 28 days of disability, while avoiding excess payments for lower wage earners.

- **Long-Term Total Disability** – provides Total Disability benefits to be payable to Age 70.

If previously included, Continuation of Health Insurance Benefit has been changed to Extra Expense Benefit at renewal. This *optional* benefit is payable after 26 weeks of Total Disability, as long as Total Disability continues. We will pay $500 a month, up to $12,000. Extra Expense is no longer restricted to health insurance premiums, but may be used for whatever additional expenses the disabled member might incur.

We hope you see value in the benefit changes we are providing. We want to help protect your most valuable asset, your Members. Please remind your Members to be sure current beneficiary forms are on file with you.

As a VFIS insured, you have access to a variety of safety and training materials on our website at vfix.com. We invite you to take advantage of our value added services.

Thank you for insuring with VFIS.

Sincerely,

Peg Amspacher, AAI, AIM, CPIW, CPCU, CRM

If Injury to an Insured Person results in “Permanent Damage” to the Insured Person’s eyesight, We will pay the indicated percentage of the Vision Impairment Benefit Principal Sum shown in the Schedule, for each impaired eye, based on the degree of vision impairment according to the Vision Impairment Chart shown below. This benefit chart will apply separately to each eye.

If the sight of an eye is less than 20/20 before the “Permanent Damage”, We will pay a benefit based only upon the additional impairment due to the Injury. In no event will We pay both an Accidental Dismemberment and Paralysis Benefit for a loss of sight and a Vision Impairment Benefit for Injury to the same eye sustained while participating in the same Covered Activity.

If a Vision Impairment Benefit is payable, it will be in addition to any Accidental Dismemberment and Paralysis Benefit payable for any non-vision related Injury sustained while participating in the same Covered Activity. However, in no event will the total amount of benefits payable as a result of any one Injury exceed 100% of the largest Principal Sum shown in the Schedule for these benefits.

“Permanent Damage” - means with reference to the eyes, irreparable Injury which results in permanently impaired vision, but not in total and irrecoverable loss of sight.

C. INJURY PERMANENT IMPAIRMENT BENEFIT

If an Insured Person suffers a Permanent Impairment due to an Injury and the Insured Person participates in an approved physical rehabilitation program if his or her physical condition so warrants, We will pay the impairment rating percentage of the Injury Permanent Impairment Benefit Principal Sum shown in the Schedule. In no event will an Injury Permanent Impairment Benefit be payable if the Heart Permanent Impairment Benefit or an Illness Permanent Impairment Benefit is payable for any one Injury or Illness sustained while participating in the same Covered Activity.

To Determine the Benefit Payable

The Insured Person’s Permanent Impairment, due to an Injury, will be assigned an impairment value by an examining Physician. This value will be expressed as a percentage in relation to the whole person. The impairment rating will be determined by the most current edition of the American Medical Association’s (AMA) “Guides to the Evaluation of Permanent Impairment”. This percentage rating will be applied to the Injury Permanent Impairment Benefit Principal Sum shown in the Schedule to determine the Injury Permanent Impairment Benefit amount payable under this policy.

If an Injury results in Uniplegia, We will pay 100% of the Injury Permanent Impairment Principal Sum shown in the Schedule.

If, due to an Injury, the Insured Person has a Permanent Impairment rating of 90% or higher, the Insured Person will receive 125% of the Injury Permanent Impairment Benefit Principal Sum.
For example:
(1) if a knee Injury resulted in an AMA guideline lower extremity impairment rating of 38%, which equates to 15% of the whole body, the benefit would be 15% of the Injury Permanent Impairment Benefit Principal Sum; or
(2) if a combination of leg and back Injuries result in an AMA guideline whole person impairment rating of 12% and 17%, respectively, which equates to a combined whole person impairment rating of 27%, the benefit would be 27% of the Injury Permanent Impairment Benefit Principal Sum; or
(3) if a fracture at the second cervical vertebra causes incomplete Quadriplegia with an AMA guideline whole person impairment rating of 33%, the benefit would be increased to 125% of the Injury Permanent Impairment Benefit Principal Sum since the impairment rating is 90% or higher.

Any Injury Permanent Impairment Benefit payable under this policy will be in addition to any Accidental Dismemberment and Paralysis Benefit or Vision Impairment Benefit payable under this policy. However, in no event will the total amount of benefit payable as the result of any one Injury exceed 100% of the largest Principal Sum shown in the Schedule, unless;

(1) the Permanent Impairment rating for an Injury is 90% or higher in which case We will pay 125% of the Injury Permanent Impairment Principal Sum; or
(2) an Injury results in Quadriplegia, Paraplegia or Hemiplegia in which case We will pay 200% of the Injury Permanent Impairment Principal Sum.

If the Insured Person is impaired prior to the time of Injury, the impairment rating that represents the pre-existing condition will be deducted from the Permanent Impairment evaluation due to the Injury as described above.

D. HEART PERMANENT IMPAIRMENT BENEFIT

If the Insured Person has a “Heart Permanent Impairment” due to a heart condition that results in at least 26 weeks of Total Disability, based upon the degree of heart impairment according to the Heart Permanent Impairment Benefit Chart shown below, We will pay the indicated percentage of the Heart Permanent Impairment Benefit Principal Sum shown in the Schedule.

To Determine the Benefit Payable

No more than nine months after the Covered Activity, the Insured Person’s highest “Left Ventricular Ejection Fraction” and lowest “New York Heart Association Functional Classification” will be obtained and compared to the Heart Permanent Impairment Benefit Principal Sum shown in the Schedule. The ratings must result from evaluations performed after the Covered Activity date.

If the Insured Person had a “Left Ventricular Ejection Fraction” of 35% or lower prior to the Covered Activity date, no Heart Permanent Impairment Benefit is due.

The benefit due is calculated by multiplying the percentage due and the Principal Sum. The benefit is further modified by the **Insured Person’s** age on the date of the heart impairment, according to the following table:

- **Age 40 or less** - 125% of amount payable
- **Age 41 to 65** - 75% of amount payable
- **Age 66 or over** - 50% of amount payable

For example:
(1) if a 30 year old (on the date of heart impairment) has a “Left Ventricular Ejection Fraction” of 17% and a “New York Heart Association Functional Classification” of Class IV, the benefit would be 100% of the Heart Permanent Impairment Benefit times 125% since the age is less than 40, for a total benefit of 125% of the Heart Permanent Impairment Benefit; or,
(2) if a 55 year old (on the date of heart impairment) has a “Left Ventricular Ejection Fraction” of 19% and a “New York Heart Association Functional Classification” of Class IV, the benefit would be 100% of the Heart Permanent Impairment Benefit times 75% since the age is between 41 and 65, for a total benefit of 75% of the Heart Permanent Impairment Benefit; or,
(3) if a 68 year old (on the date of heart impairment) has a “Left Ventricular Ejection Fraction” of 18% and a “New York Heart Association Functional” Classification of Class IV, the benefit would be 100% of the Heart Permanent Impairment Benefit times 50% since the age is 66 or over, for a total benefit of 50% of the Heart Permanent Impairment Benefit.

“**Heart Permanent Impairment**” - means a medical condition which is a physical and functional abnormality or loss as a consequence of an **Insured Person** sustaining a heart impairment as a result of a **Covered Activity**, resulting in: (1) a “Left Ventricular Ejection Fraction” of 30% or less; and (2) a “New York Heart Association Functional Classification” of II, III, or IV; and (3) at least 26 weeks of **Total Disability**.

“**Left Ventricular Ejection Fraction**” - means a clinically used measure of the percentage of blood the heart is able to eject from the left ventricle.

“**New York Heart Association Functional Classification**” is a standard measurement of how heart function affects activities of daily living. Below is a summary of the New York Heart Association Classification:

I. No symptoms and no limitation in ordinary physical activity.
II. Mild symptoms and slight limitation during ordinary activity. Comfortable at rest.
III. Marked limitation in activity due to symptoms, even during less-than-ordinary activity. Comfortable only at rest.
IV. Severe limitations. Experiences symptoms even while at rest.

**E. ILLNESS PERMANENT IMPAIRMENT BENEFIT**

If **Illness** to an **Insured Person** results in five years (260 weeks) of **Total Disability Benefits**, We will pay the indicated percentage of the **Illness Permanent Impairment Benefit Principal Sum** shown in the **Schedule**.

**To Determine the Benefit Payable**

If the **Insured Person** is unable to return to his or her occupation after five years (260 weeks) of **Total Disability Benefits**, 50% of the **Illness Permanent Impairment Benefit Principal Sum** shown in the **Schedule** is payable. If the **Insured Person** is unable to return to any **Gainful Occupation** after five years (260 weeks) of **Total Disability Benefits**, 75% of the **Illness Permanent Impairment Benefit Principal Sum** shown in the **Schedule** is payable. If the **Insured Person** has been approved for Social Security disability
benefits or, if not eligible for Social Security disability benefits, otherwise meets the eligibility criteria for Social Security disability benefits, 125% of the Illness Permanent Impairment Benefit Principal Sum as shown in the Schedule is payable.

The five year (260 week) period of Total Disability does not need to be consecutive weeks but must be payable as a result of one Illness sustained while participating in the same Covered Activity.

If an Insured Person has received a Heart Permanent Impairment Benefit and later becomes eligible for payment under this benefit for the same condition, the amount payable under this benefit is the indicated percentage of the Illness Permanent Impairment Principal Sum shown in the Schedule, less the amount previously paid under the Heart Permanent Impairment Benefit. The indicated percentage described in the first paragraph of this section will also apply to the total amount payable.

F. COSMETIC DISFIGUREMENT RESULTING FROM BURNS BENEFIT

If, as the result of Injury, an Insured Person suffers a cosmetic disfigurement due to a burn that is classified as a full thickness or third degree burn, We will pay the indicated percentage of the Cosmetic Disfigurement Resulting From Burns Principal Sum shown in the Schedule.

To Determine the Benefit Payable

Any Cosmetic Disfigurement Resulting From Burns Benefit payable under this benefit will be based on a percentage of the Cosmetic Disfigurement Resulting From Burns Principal Sum shown in the Schedule and depend on the area of the body which was burned. The benefit payable for any one loss is determined by the following formula:

1. First the area of the body that was burned is assigned an area classification factor by using the chart shown below. Each body part is assigned a classification relative to its visible exposure (i.e., the more visible the exposure the higher the classification);
2. This area classification factor is multiplied by the percentage of body surface actually burned. The attending Physician will determine the percentage applicable to each burn. The chart below lists the maximum allowance percentage for body surface burned for each area classification;
3. Steps 1 and 2 will produce a numerical factor that will be multiplied by the Cosmetic Disfigurement Resulting From Burns Principal Sum to determine the percentage of the Cosmetic Disfigurement Resulting From Burns Principal Sum payable under this benefit.

For example, by using the Cosmetic Burn Chart shown below:

(a) if 100% of the surface of the right hand and forearm were burned the benefit would be 5 x 4.5% = 22.5% of the Cosmetic Disfigurement Resulting From Burns Principal Sum payable; or
(b) if 50% of the surface of the right hand and forearm were burned the benefit would be 5 x 2.25% (which is 50% of 4.5) = 11.25% of the Cosmetic Disfigurement Resulting From Burns Principal Sum payable.

The following is a burn chart from which benefits can be determined. This chart represents the maximum percentage of the Cosmetic Disfigurement Resulting From Burns Principal Sum payable for a covered cosmetic disfigurement Injury. If the Insured Person suffers burns in more than one area as a result of any one Injury, benefits will not exceed more than 100% of the Cosmetic Disfigurement Resulting From Burns Principal Sum.

The percentage shown is based on 100% of the Body Part identified being burned. Please refer to the Schedule for the amount of the Cosmetic Disfigurement Resulting From Burns Principal Sum.

Any Cosmetic Disfigurement Resulting From Burns Benefit payable under this policy will be in addition to any Accidental Dismemberment and Paralysis Benefit, Vision Impairment Benefit, Injury Permanent Impairment Benefit, Heart Permanent Impairment Benefit, or Illness Permanent Impairment Benefit payable under this policy. However, in no event will the total amount of benefits payable as a result of any one Injury exceed 100% of the largest Principal Sum shown in the Schedule for these benefits.

G. HIV POSITIVE LUMP SUM LIVING BENEFIT

If, as a direct result of participation in a specific Covered Activity, an Insured Person tests “HIV Positive”, We will pay the HIV Positive Lump Sum Living Benefit Principal Sum shown in the Schedule.

In the event that an HIV Positive Lump Sum Living Benefit and (1) an Illness Loss of Life Benefit or (2) an Illness Permanent Impairment Benefit are both payable under this policy as a result of any one Illness sustained while participating in the same Covered Activity, only one benefit, the largest, will be paid.

“HIV Positive” - means the presence of HIV antibodies in the blood of an Insured Person as substantiated through both a positive screening test (enzyme-linked immunosorbent assay (ELISA)) and a positive supplemental test such as Western Blot. All such tests must be approved by the Food and Drug Administration (FDA) with the interpretation of positivity as specified by the manufacturer(s).

PART III. WEEKLY INCOME BENEFITS

A. TOTAL DISABILITY BENEFITS

(1) If Injury or Illness to an Insured Person results in Total Disability, We will pay the Total Disability Weekly Amount shown in the Schedule for the first 28 days of Total Disability.
(2) If Total Disability continues beyond 28 days, We will pay 100% of the difference between the Insured Person's Average Weekly Wage and the sum of any disability income benefits paid or payable to the Insured Person from any Workers' Compensation act or similar law and Other Valid and Collectible Insurance, not to exceed the Total Disability Maximum Weekly Amount shown in the Schedule, for each week the Insured Person is Totally Disabled up to a maximum of five years (260 weeks).

(3) The minimum benefit payable for Total Disability will be the Total Disability Minimum Weekly Amount shown in the Schedule. If, after Total Disability commences, benefits are payable under a Retirement Program, the Total Disability Minimum Weekly Benefit does not apply.

B. PARTIAL DISABILITY BENEFITS

(1) If Injury or Illness to an Insured Person results in Partial Disability, We will pay the Partial Disability Weekly Amount shown in the Schedule for the first 28 days of Partial Disability.

(2) If Partial Disability continues beyond 28 days, We will pay 50% of the difference between the Insured Person's Average Weekly Wage, and the sum of any earned income, disability income benefits paid or payable to the Insured Person from any Workers' Compensation act or similar law and Other Valid and Collectible Insurance, not to exceed the Partial Disability Maximum Weekly Amount shown in the Schedule, for each week the Insured Person is Partially Disabled up to a maximum of 52 weeks.

(3) The minimum benefit payable for Partial Disability will be the Partial Disability Minimum Weekly Amount shown in the Schedule.

C. DISABILITY BENEFITS GENERAL

If an Insured Person is Totally Disabled or Partially Disabled for less than a week, We will pay 1/7 of the benefit otherwise payable for each full day the Insured Person is disabled.

The amount of Total Disability Benefits or Partial Disability Benefits payable to an Insured Person who is Totally Disabled or Partially Disabled will be increased after Total Disability Benefits or Partial Disability Benefits have been paid to the Insured Person for at least 52 consecutive weeks. Any increased benefit will become effective on July 1, following the first 52 week benefit period. Successive annual increases will be compounded on July 1 of each subsequent year. The increase will equal a minimum of 5% or the percentage increase in the Consumer Price Index for the preceding calendar year, whichever is greater, to a maximum of 10%. The increase will apply to either the Insured Person's Average Weekly Wage at the time of the Covered Activity which caused the Injury or Illness, or to the Total Disability Benefit or Partial Disability Benefit, whichever results in the higher benefit to the Insured Person.

In the event that benefits are payable for both Total Disability and Partial Disability resulting from Injury or Illness sustained while participating in the same Covered Activity, the maximum benefit period for all benefits is five years (260 weeks).

Periods of Total Disability or Partial Disability separated by less than five years (260 weeks) will be considered one period of disability unless due to separate and unrelated causes.
PART IV. OCCUPATIONAL RETRAINING BENEFIT

If, as a result of Injury or Illness, an Insured Person is not able to remain or continue in a Gainful Occupation and chooses to enroll in an institution of higher learning or professional or trade training program, We will pay for “Covered Retraining Expenses”, up to the Occupational Retraining Benefit Maximum Amount shown in the Schedule. The objective of any professional or trade training program must be to return the Insured Person to work in an occupation to which he or she is suited. The professional or trade training program must be agreed upon by Us and the Insured Person.

We will pay any “Covered Retraining Expenses” incurred by an Insured Person in excess of benefits paid or payable under any Workers' Compensation act or similar law, no fault automobile insurance or similar law, and any Other Valid and Collectible Insurance.

“Covered Retraining Expenses” includes, but is not limited to, expenses for tuition, books, and any other training materials required by the institution of higher learning or professional or trade training program.

PART V. WEEKLY INJURY PERMANENT IMPAIRMENT BENEFIT

If Injury to an Insured Person results in a Permanent Impairment and, due to a covered Injury, it is determined that the Insured Person has a whole person Permanent Impairment percentage value of 50% or greater for purposes of the Injury Permanent Impairment Benefit, We will pay a Weekly Injury Permanent Impairment Benefit. This Weekly Injury Permanent Impairment Benefit will begin on the 261st week (or 521st week if the Extended Total Disability Benefit is selected) from the date of participation in the Covered Activity which caused the Injury and will continue to be paid for the remainder of the Insured Person’s lifetime.

The Weekly Injury Permanent Impairment Benefit will be determined by multiplying the Weekly Income Benefit amount payable on the 29th day of Total Disability, as determined under the Weekly Income Benefits section of this policy, by the percentage value of the Insured Person's Permanent Impairment.

For example:

If the Total Disability Weekly Income Benefit payable on the 29th day of Total Disability is $600.00 and the Insured Person's Permanent Impairment, due to an Injury, percentage value is 70%, the lifetime Weekly Injury Permanent Impairment Benefit would be $420 per week ($600 x 70% = $420).

The Permanent Impairment rating due to an Injury used to determine the Weekly Injury Permanent Impairment Benefit is final upon initiation of Weekly Injury Permanent Impairment Benefits. Subsequent changes in the Permanent Impairment rating due to an Injury will not affect the Weekly Injury Permanent Impairment Benefits payable.

Weekly Injury Permanent Impairment Benefits will be paid in addition to any benefits payable under this policy.
PART VI. MEDICAL EXPENSE BENEFITS

Proof of Loss: Proof must be given as soon as reasonably possible. If the policy provides for periodic payment for a continuing loss, We must be given written proof within 90 days after the end of each period for which We are liable and subsequent written proofs of continuance of such disability must be furnished to Us at such intervals as We may reasonably require. For any other loss, We must be given written proof within 90 days after that loss. If it was not reasonably possible to give written proof in the time required, We will not reduce or deny the claim for this reason, if the proof is filed as soon as reasonably possible.

Time of Payment of Claims: Subject to Our receipt of written proof of loss, for other than loss of time, We will pay any benefits due within 60 days after the receipt of the proof of loss. Benefits that provide for periodic payment will be paid at least monthly. When Our liability ends, We will pay any remaining balance as soon as We receive written proof of loss.
3. The following Provision is added.

Claims Experience Disclosure: We, upon request, shall provide the Policyholder and/or Participating Organization with a complete record of the Policyholder and/or Participating Organization's medical claims experience or medical costs incurred under the policy. The record will be made available promptly to the Policyholder and/or Participating Organization upon request made not less than 30 days prior to the date upon which the premiums or contractual terms of the policy may be amended.
