- (13) Street Address (Line 2) - (Same instructions as block 5 above.)
- (14) City - (Same instructions as block 6 above.)

(Incorrect or omitted payment type codes may result in your application or filing being returned to you without further processing.) You are allowed to file multiple actions. There are three ways multiple actions are defined. The following examples provide instructions on how multiple actions should be filed when using FCC Forms 159 & 159-C:

(i) If a single service allows for a quantity of more than one of the same action, as defined in the appropriate Fee Filing Guide or Public Notice, complete Section C. (e.g., if you are filing an ownership report in the mass media services you may pay for both your AM & FM stations using the same payment type code and a quantity of two as long as it can be filed in the same lockbox.) Blocks 23 & 24 are only to be completed when required by Public Notice.

(ii) If you are filing concurrent actions (not the same actions) in the same lockbox, on the same application, refer to the appropriate Fee Filing Guide or Public Notice for specific instructions as to the number of quantities allowed. Complete Section C. (e.g., you may file a regulatory fee for a CAR's license and a Broadcast Auxiliary license or you may file a regulatory fee for a mass media service and a common carrier service on the same FCC Form 159 by using the designated payment type codes, and quantities as defined by the Public Notices.) If this is a company, enter name used commercially. If you are using the form to pay for multiple applicants with a single remittance, each applicant must be listed separately using the continuation sheet - Form 159-C. (If the name is the same as the payer (block 2), it is not necessary to fill out this section, MOVE TO SECTION C.)

(You must complete Section D - block 26 of the taxpayer information at the bottom of the Form 159.)

(11) If a single Remittance Advice is used to pay for more than one applicant, licensee, regulatee or debtor, for permitted action(s) in the same lockbox, then a Continuation Sheet (159-C) must be completed for each applicant, licensee, regulatee or debtor. (e.g., if you are paying for different applicants submitting separate Domestic 214 Applications in the common carrier services, they can all be filed on one FCC Form 159 as long as they are filed in the same lockbox.) Each additional applicant must submit a separate FCC Form 159-C and all required blocks must be completed.

You must provide a TIN for each applicant covered by this filing.

SECTION E

(27) **Certification Statement** - This section must be completed and signed. Failure to do so may delay the processing of your application/filing.

SECTION F

P.L. 104-134. The form will be used primarily to capture information to maintain required accounts receivable, and collect fines and debts due the Commission. As part of the Debt Collection Improvement Act, agencies are authorized to refer specific Taxpayers Identification information which includes Employer Identification Numbers and Social Security Numbers to the Department of Treasury for further investigation and possible enforcement of a statute, rule, regulation or order. If we believe there may be a violation or potential violation of a FCC statute, regulation, rule or order, your application may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing or implementing the statute, rule, regulation or order. In certain cases, the information in your application may be disclosed to the Department of Justice or a court or adjudicative body when (a) the FCC; or (b) any employee of the FCC; or (c) the United States Government, is a party to a proceeding before the body or has an interest in the proceeding. If information requested on the form is not provided, processing of the application/filing may be delayed or returned without action pursuant to Commission rules.

If you owe a past due debt to the Federal Government, the taxpayer identification number (such as your social security number) and other information you provide may also be disclosed to the Department of the Treasury, Financial Management Service, other federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may also provide this information to these agencies through the matching of computer records when authorized

We have estimated that each response to this collection of information will take, on average, 30 minutes. Our estimate includes the time to read the instructions, look through

existing records, gather and maintain required data, and actually review and complete the form. If you have any comments on this estimate, or on how we can improve the collection of this data to reduce the burden it causes you, please write the Federal Communications Commission, AMD-PERM, Washington, DC 20554, Paperwork Reduction Project (3060-0589). We will also accept your comments via the Internet if you send them to jboley@fcc.gov. Please DO NOT SEND COMPLETED APPLICATION FORMS TO THIS ADDRESS.

Remember -- You are not required to respond to a collection of information sponsored by the Federal government, and the government may not conduct or sponsor this collection, unless it displays a currently valid OMB control number or if we fail to provide you with this notice. This collection has been assigned an OMB control number of 3060-0589.
